REQUEST FOR SUPPLEMENTAL NOTICE OF ALLOWABILITY

MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant hereby requests a Supplemental Notice of Allowability for the above-identified Application. In particular, in the Notice of Allowability, dated June 8, 2005, the Examiner has indicated that the only allowed claim is claim 10. However, as set forth in the Amendment of May 17, 2005, claims 1, 3-6, 8-9 and 11-13 are pending, and thus, are assumed to be allowable. Accordingly, it appears the Examiner made a typographical error.

In view of the above, the Applicant respectfully requests a corrected Notice of Allowability.

Respectfully submitted,
